Date: Feb. 24th, 2021 School: St. Peter's School

For Students Who are Not Identified as a High Risk Contact

All St. Peter's students who have not been directly exposed to COVID-19 cases in the school are asked to monitor their health and should only leave the home for essential purposes.

For Parents & Guardians,

Look for and ask your child about any symptoms. Here are a list of COVID-19 symptoms to look for:

<https://covid-19.ontario.ca/self-assessment/>

If Your Child Develops Symptoms Consistent with COVID-19:

1. Your child should [isolate](#) (stay home) away from household members and not leave except to get tested or for a medical emergency
2. Talk with a doctor/health care provider to get advice or an assessment, including if your child needs a COVID-19 test immediately
3. Siblings or other people you live with need to -stay home until your child tests negative, or is diagnosed with another illness.
4. Your child must be able to pass the COVID-19 Self-Assessment Tool before returning to school.
 - To return to school, your child must also not have a fever (without using medication), and it has been at least 24 hours since their symptoms started improving.

If your child develops symptoms and does not get tested:

- They must isolate for 10 days.
- All household members will also need to isolate and stay isolated for 14 days from last contact with the child with symptoms.
